

This Porpoise “Sportsman” is a yoke faced type and shows the 1961 version of the backpack. The decal reads “Australian Divers Co”

(Photo © Tony Gregory)

Regulator (A) is the original ‘Sportsman’ with left hand hose off-take. The other three specimens are post 1960 and all are fitted with purge valves. Regulator (B) has a black body, whilst (D) has a chrome finish, both have *Australian Spiro* decals and were renamed the ‘Explorer’ (Photo © Des Walters)
